

PETITION

for

Leon County Ordinance 82-45

PLEASE NOTE:

IF YOU SIGN THIS PETITION, IT MEANS YOU AGREE TO PAY THE COST TO IMPROVE YOUR ROAD(S) TO COUNTY STANDARDS.

The name of the road(s) involved: Pond Pine Street, Belk Drive, Pinacea Lane, Post Oak Drive, Chinkapin Lane, Mastic Lane, Inkwood Lane and Baycedar Drive.

To have this petition presented to the Board of County Commissioners, you must have the signatures of at least two-thirds of all the property owners on the road(s) involved who own at least two-thirds of the property.

Although no one knows the actual costs, we estimate the cost to be \$694,000.00. The final costs will not be known until a design has been completed and bids have been received from competing companies.

When the bids are received, a meeting will be held to receive your comments on the amount of the bids before the Board of County Commissioners agrees to have the improvements done.

However, whether or not the bids for the construction of the improvements are accepted you will be charged for the cost of the work performed up to that time including survey and design.

To pay the cost of the improvements, the total cost will be divided equally among the number of lots. Therefore, the cost per lot will be approximately \$4,960.00. Driveways existing at the time of construction will be included in the project. If additional driveways are desired they will be provided by the owner.
